

Dear customer

Further to our previous correspondence earlier this month, we are writing to inform you of a further price increase notification which will be effective from 1st April 2026.

As mentioned previously, we are closely monitoring impacts across our supply chain, including fluctuations in raw material costs, transport routes and freight pricing.

We are now also able to provide more clarification on the price increases on Polypropylene and Polyethylene pipe. See below for details:

AGRU range

Polypropylene pipe	10%
Polyethylene pipe	12%

Aliaxis/Durapipe range

PVC pipe (imperial and metric)	11%
PVC fittings (imperial and metric)	5%
PVC valves	6%
CPVC metric pipe	11%
CPVC metric fittings	5%
CPVC metric valves	6%
ABS pipe (imperial and metric)	6%
ABS fittings (imperial and metric)	3%
ABS valves (imperial and metric)	6%
Vulcathene pipe	16%
Vulcathene fittings	6%
Girair pipe	11%
Girair fittings	5%
Girair valves	6%
Cobra pipe clips	6%
