

Dear customer

Whilst the situation in the Middle East, in terms of pricing from our manufacturing partners, appears to have settled somewhat over recent weeks, we have been notified of price increases from some of our partners.

Please see details below for the products affected by this increase which will come into effect w/c 3rd August 2026:

Valterra valves	10%
Hayward basket strainers & valves	6%
RM st/st pipe;	
304 stainless steel	3%
316L stainless steel	2-6% depending on size
RM Fittings all materials	2%
