

Dear customer,

I am writing to you regarding a price increase notification received from our valued manufacturing partner, AGRU. Regrettably, we have already experienced several price increases this year from several manufacturers since the onset of the Iran conflict.

In addition to this, raw material costs along with rising energy and labour costs earlier this year have resulted in the following price increases:

Polypropylene

Butt-fusion and socket fusion fittings	+ 5%
Electrofusion couplers	+ 3%
Valves	+ 7%

PVDF

Pipe	+ 24%
Fittings	+ 9%
Valves	+ 7%

Flanges

Backing rings & blind flanges	+ 5%
-------------------------------	------

PP Pure & Polypure

Pipe	+ 8%
Fittings & valves	+ 8%

ECTFE natural

Pipe	+ 8%
Fittings & valves	+ 2%

Revised pricing will be effective from Monday 14th September.
